AGENCY: Import Administration, International Trade Administration, Department of Commerce

SUMMARY: The Department of Commerce (the "Department") is extending the time limit for the final results of the first new shipper review of uncovered innerspring units ("innersprings") from the People's Republic of China ("PRC"). The review covers the period of review ("POR") of February 1, 2010, through July 31, 2010.

EFFECTIVE DATE: (Insert date of publication in the *Federal Register*.)

FOR FURTHER INFORMATION CONTACT: Paul Walker, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0413.

Background

On August 4, 2011, the Department published in the *Federal Register* the *Preliminary Results* of the new shipper review of innersprings from the PRC.¹ On October 24, 2011, the Department extended the final results until November 22, 2011.² The respondent in this new shipper review is Foshan Nanhai Jiujiang Quan Li Spring Hardware Factory ("Quan Li").

² See *Uncovered Innerspring Units from the People's Republic of China: Extension of Final Results of Antidumping Duty New Shipper Review*, 76 FR 65695 (October 24, 2011).

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the “Act”), and section 351.214(i)(1) of the Department’s regulations, require the Department to issue the final results in a new shipper review 90 days after the date on which the preliminary results are issued. The Department may, however, extend the deadline for completion of the final results of a new shipper review to 150 days if it determines that the case is extraordinarily complicated.³

Extension of Time Limit for Final Results of Review

We determine that this case is extraordinarily complicated because the Department requires additional time to analyze interested parties’ case and rebuttal briefs concerning the *bona fide* nature of the sale under review. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act, and section 351.214(i)(2) of the Department’s regulations, we are fully extending the time for the completion of the final results of this review until December 23, 2011.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.
